

## **TRI-CITIES Bocce Tournament**

The Tri-Cities Bocce Tournament is held annually in late February or early March. As the name implies, the tournament is a bocce competition between three clubs Sun City, Sun City West, and Sun City Grand. The tournament venue is rotated between the three clubs.

Each club enters four person teams(5 to 6) to make up the 16 team field. The tournament is a double elimination format played in one day, usually a Saturday. The winning team gets their name and club engraved on a trophy that passes from winning club to winning club.

The competition is based on building friendship between the three clubs through healthy competition and good sportsmanship.
