

## **Sun City Grand Bocce Championship Tournament**

The *SCG* Championship Tournament is held annually at the end of the bocce season in late February or early March.

The format of the tournament is to take the top two teams (4 players) from each league to compete as a team for the club championship and a monetary prize.

Each league enters a four-person team to play in the single elimination tournament which is generally played on a Saturday. The winning four-person team, along with the second and third place team, each win a monetary prize.

Leagues can choose to opt out of the tournament or, if the top teams cannot play, send other teams to represent them. Generally, there are upwards of 65 club members playing in the tournament.
