

SUN CITY GRAND BOCCE CLUB
MEMBERSHIP INFORMATION & NAME BADGE REPLACEMENT

New Members

- Any resident of SCG may become a member of the Bocce Club.
- Fill out a New Member Application online at www.scgbocce.com indicating choice of playing days and times and clicking **Submit** at the bottom of the form.
- The League Coordinator will contact the prospective member to discuss available openings.
- When a League is agreed on - the League Coordinator will inform that League's captain that the new member is available.
- League Captain will then follow up with the new member to arrange membership in the League.
- If all Leagues are full at the opening of regular League play, prospective members may pay dues and become a substitute for regular League play by filling in **Manage substitute preferences** so that active members may use **Find A Substitute**.
- Bocce's year is "Seasonal" and dues are effective Oct 1 through Sept 30. Dues are \$18.00 for new members (includes required name tag) and \$10.00 for renewing members. Seasonal dues may be submitted after Sept 1st each year for the upcoming season. For example, dues submitted in January apply to the current season.
- Training sessions are held for new players at weekly Drop-In Bocce on Tuesdays and Wednesdays. (See Bocce **Calendar** for current times).

Existing Members

- Annual membership dues are \$10 annually (Oct 1 to Sept 30).
- An active (paid) member can play in more than one League if space permits.
- Prior to the start of the season, existing active (paid) members can change Leagues by:
 - Contacting the League Coordinator to see if there are openings.
 - League Coordinator will contact and give the member's name to the Captain of the existing League desired by the member wanting to change.
- The League Captain must contact the League Coordinator when placing anyone in their League providing the new League member's name, address, phone number, email, and CAM number.
- Existing members can start an entirely new League at a different date and time if there are courts available. Members will choose a captain of that League and be responsible for obtaining enough members to form the new League. The Captain will contact the League Coordinator providing the name, address, phone number, email, and CAM number for each League member.
- If a member of a League changes Leagues during the season, their accumulated points do not follow them to another League.
- After start of play, any player who fills an opening on an existing team will acquire the points accumulated by that team.

Name Badge Replacement

- The cost to a member to replace a name badge is \$8.00 regardless of the reason (lost, name change, etc.).
- To request a replacement badge for \$8.00, contact the League Coordinator.
