

Non-Member Resident Use of Bocce Ball Courts (09/01/2019)

The Bocce Ball Courts are available to all residents of Sun City Grand to play bocce, even if they are not Bocce Ball Club Members. The rules when using the courts are as follows:

1. Only residents of Sun City Grand and their guests can use the courts. Guests must be accompanied by a resident.
2. Only Bocce club members can reserve courts.
3. Bocce Club League play has priority over all other court usage. See steps below for court availability and also on the bulletin board near the Bocce Courts.
4. Courts and equipment must be treated with respect (do not loft balls, etc.) and returned to its appropriate place when play is completed - if a piece of equipment or court develops a problem report it to a member of the Bocce Club Board.
5. Your play must not disrupt other play on other Bocce Courts or neighboring facilities (Tennis, Lawn Bowling, Swimming).
