

Tri-Cities Bocce Tournament

As the name implies, the tournament is a bocce competition between three clubs, Sun City, Sun City West, and Sun City Grand.

The Tri-Cities Bocce Tournament is held annually in late February or early March. The tournament venue is rotated between the three clubs. Each club enters four-person teams (5 to 6) to make up the 16-team field. The tournament is a double elimination format played in one day, usually a Saturday.

The winning team gets their name and club engraved on a trophy that passes from winning club to winning club.

The competition is based on building friendship between the three clubs through healthy competition and good sportsmanship.
